Subject: [EXTERNAL] - RE: ID-010587 Transactions

Good afternoon, Shannon-

Per confirmation by the hotel, there are only 4 rooms in the hotel with double occupancy that are "consistently sold out"; the rest are single occupancy, which likely resulted in the approval to move forward with two rooms. Jordan indicated this was approved by Lisa Smith once upon a time; he is still looking through his inbox for written approval.

Were you able to find out when and why this applicant was provided two rooms? There are over 83,000.00 in unapproved charges for an additional room that the applicant should not have.

Thanks

IEM provided two rooms for this applicant. She should have only had one. We have requested a policy exception copy and they have not been able to provide one.

There are \$83,681.65 in transactions on the page that are not eligible for review as we are at a stand still regarding issue above. Should they remove them/put them in their status to show that we are on hold with them?
